

Afternoon Car Pick-up Procedures

- If you park up against the curb – you may not get out of your car. Please stay in your car and move up as the line moves forward.
- Please remember the middle lane is for moving traffic only; you may not stop in that lane.
- The third lane (close to the fence) is a parking lane. If you park there, you may get out of your car to come and pick up your student.
- You are always welcome to park in the elementary or middle school parking lot and walk over to pick up your student.

Please remember when crossing the street to use the crosswalks.
